A LITTLE ABOUT US!!

House Of Hues is a bespoke interior design studio based in Mumbai.

A complete 'design+build' expertise, be it offices, apartments, bungalows, restaurants, cafes or anything you can imagine irrespective of size and budget.

We breathe life into ordinary spaces. We are a youthful, enthusiastic, full-service interior design studio rooted in the belief that every space has a story to tell.

Our multi-disciplined and talented team shares a passion for design and likes to think differently. So you can be sure we strive to give you the best results.

Spaces do speak...
Are you listening?
